Sanyukt Organisation

"Together We Can" — a youth-led movement for humanity, unity, and community change, active since February 2020

Presented by **Bhavika Santosh Bhoir**

About Sanyukt Organisation

Sanyukt Organisation is a youth-led, community-driven NGO founded in **Bhubaneswar, Odisha**. It was established during the difficult early days of the COVID-19 pandemic to help the underprivileged, give voice to the voiceless, and mobilise Odisha's youth toward environmental and social betterment.

What started as one founder's idea has grown into a team of 40+ core members supported by a network of 200+ volunteers, now expanding into new districts across Odisha while running education, environment, and welfare programmes under the Sanyukt Academy and its outreach drives.

Areas of Work

- Women's Empowerment
- Environmental Sustainability
- Youth Skill Development
- Community Welfare & Relief
- Education (Sanyukt Academy)

Digital Education Growth

Continuing to digitalise Sanyukt Academy classrooms with laptops, projectors and digital learning tools for underprivileged children.

Deeper Women's Empowerment

Scaling programmes that support dignity, opportunity and self-reliance for women across the communities served.

Environmental Sustainability

Expanding plantation and cleanliness drives with corporate partners to widen ecological impact.

Digital Awareness Campaigns

Growing its 81K+ Instagram community to spread awareness and mobilise wider youth participation.

Long-Term Vision

"Years strong — the best is yet to come": sustained, community-first growth beyond its 6th Foundation Day milestone.

Conclusion

Since 2020, Sanyukt Organisation has turned one founder’s idea into a movement of 40+ core members and 200+ volunteers, touching over 1,500 lives across Odisha through relief drives, plantation campaigns, education support, and women-focused programmes.

- Demonstrates how youth-led, volunteer-powered NGOs can create real, on-ground community impact
- Builds sustained partnerships with corporates (DCB Bank, USHA International) and fellow foundations
- Youth participation remains central — from field volunteers to interns leading digital campaigns

"Together We Can" — as Sanyukt enters its next chapter, continued youth participation is what will carry this movement from a regional NGO to a wider force for dignity, sustainability, and community change across Odisha.
